

## February School Union City Christian Church

Each Monday in February the Builders for Christ Men's Group will be hosting classes in different areas of the Bible. Those classes are listed below. Each Monday there will be a dinner beginning at 6:30 p.m. and the hour-long classes will begin immediately following the dinner. All are invited! Please be sure to come out to these classes so we can all expand our knowledge of God's word

Classes are \$5 per two class session.

### **Mark Pearson— "The 24 Most Important Words Ever Spoken on Marriage"**

*Gen. 2:24 (NASB) -- "For this reason, a man shall leave his father and his mother and be joined to his wife; and they shall become one flesh."*

Words about Biblical marriage are very important! The words spoken at the first wedding in the Garden are vital to a healthy Biblical marriage. This study will look at these words spoken at the beginning of an institution that endures to this day. Married couples will benefit from these lessons, as well as men and women that are engaged to be married. Of course, the Biblical lessons taught will help inform all students of the Bible about Biblical marriage. This class will be a mixture of fun, humor, and Biblical studies. Mark will be teaching the course, but Mark & Angela Pearson will be performing a humorous skit before each lesson.

### **Matt Vaughn— "Leadership in the Lord's Church"**

Most Christians agree that the church today suffers from a lack of leadership, but where is the leadership to come from and what exactly are they to do? This class will not be just another review of the qualifications listed in First Timothy and Titus. We will look at Biblical examples of the leaders God used and the character traits that made them effective. This is not just for elders and deacons, but for anyone who has a responsibility of leadership in the church.

### **Blake Rush— "The Devil's Attempts to Prevent the Messiah's Coming"**

*Gen. 3:15 (NIV) And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel."*

This is an overview of the course, originally taught by George Faull at Summit Theological Seminary. The devil was told that the Promised One would "crush his head." We will show an overview of the attempts of the Devil to prevent the Messiah's coming and thus win the battle.
